

# TREY STONE

Author of  
At The Gate  
A Form Of Revenge  
A State of Despair  
The Consequence of Loyalty

## All about Trey:

Trey Stone is the author of four novels and handful of short stories, and he has made a habit out of writing dark thrillers and horror stories that don't pull any punches. He spent half a decade in England, two years on an Arctic island, and currently lives in rural Norway with his wife, right next to where he grew up.

He enjoys heavy metal, mountain hiking, video games, decent Scotch, and great books. When he's not writing he's can be found working at his day job as an archaeologist or daydreaming about his next tattoo.

# AT THE GATE

Checking out  
isn't an option.

**Joseph can't live with** the fact that he's responsible for his daughter's death. He checks into The Gate as his final destination, but after the disappearance of a guest everything begins to unravel. Days go missing, people are acting strange, and nothing is what it should be. At every turn, he's reminded of this most painful mistake.

Joseph disappears down a rabbit hole of mysterious events, all the while keeping up the battle against his own inner demons. Now he is trapped inside a haunted hotel trying to find a guest that may not even exist.

"I highly recommend this book if you're looking for a calm, mysterious thriller with painful emotion at its core, so long as you're not one who struggles deeply with mental health issues, which I believe to be the basis of this story. A man fighting his personal demons, on the verge of collapse, and his only sense of salvation is through the only form of escape he knows how."

"I don't write reviews, but I literally read this in nearly one sitting. Not something I typically do, but so much tension and suspense that I had to find out what happened next. Well done."

# A FORM OF REVENGE

THE COLUMBUS ARCHIVES #3

This should  
all have ended  
years ago

Jordan Greer gave it all for the Bureau and they fired him for it. Now Greer spends his time avoiding phone calls from old colleagues while searching for solace at the bottom of his favorite bottles.

Then, a stranger comes knocking on Greer's door, claiming he's an old friend who was wrongfully accused of murder years ago. He assaults Greer and pulls him down a dark and violent rabbit hole, forcing him to relive the events of the age-old murder case, insisting Greer is the only one who can help.

Now Greer must overcome his kidnapper's antics and regain his memories before more innocent people die.

"I highly recommend this book if you're looking for a calm, mysterious thriller with painful emotion at its core [...] A man fighting his personal demons, on the verge of collapse, and his only sense of salvation is through the only form of escape he knows how."

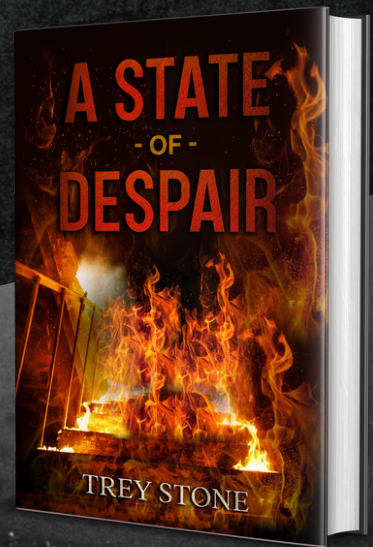

"A great psychological thriller, and the book maintains its dark and eerie but not quite terrifying feel right to the very end. [...] The pacing is what I have come to love from Trey Stone's writing; he maintains perfect pace and then ramps up the final act of the novel with an intensity that makes it difficult to put down."

# A STATE OF DESPAIR

THE COLUMBUS ARCHIVES #2

How far would  
you go to save  
a friend?

**A simple drug bust – that was all it was supposed to be.** It goes horribly wrong when shots are fired, an explosion goes off, and a fire breaks out. Chaos erupts and the unit is left shocked when the dust settles.

One agent is dead. Two hospitalized. One missing.

Agent Greer is prepared to do anything he can to catch up with the case and find the people responsible. Anything.

“Both the characters and plot kept me anxiously turning the pages to figure out what in the world happened.”

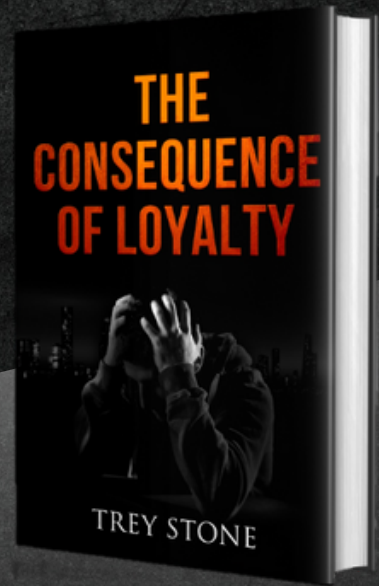

“Calling A State of Despair a page turner would be an understatement!”

## THE CONSEQUENCE OF LOYALTY

THE COLUMBUS ARCHIVES #1

Why would anyone shoot their own boss – only to surrender immediately?

**When Agent Greer** is rushed to his office in the middle of the night, he has no idea what's expecting him. His boss has been shot, but why is Greer being brought in for questioning? Do they need his help to catch the gunman, to start a manhunt through Columbus?

Greer is ready to take on the case, preparing himself to chase a hardened criminal. But the shooter is already caught, the shooter surrendered immediately. All Greer needs to do is figure out why his best friend and coworker would do this.

"Wow! I did NOT see that coming! I love action/thrillers, and this one was fantastic!"

"This was a great suspense novel. I had to keep turning the pages to see what was coming."
